

Want a TASTE of Work?

Transition Assistance Success to Employment (TASTE) equips you with the skills to prepare for, find and keep a job. If you are an unemployed person with a disability and live in the Perth Metro, you may be eligible.

TASTE is Free for Disability Employment Service (DES) clients, thanks to funding from the Department of Social Services. NDIS clients can use Employment-related funding. TASTE is run as workshops (small groups) or one-to-one, depending on individual needs. TASTE includes modules to:

- Gain knowledge, skills and confidence to achieve your employment goals
- Explore goal setting and career choices
- Look at resumes and cover letters to market yourself to employers
- Learn how to find and apply for jobs
- Discuss employer expectations
- Develop a portfolio including your bank account, tax file number, transport needs
- Experience job tasters with our supportive employers
- Be linked to services to meet your needs and achieve your employment goals

TASTE is run at a location near you
